

The Ford Connection

THE THOMAS FORD MEMORIAL LIBRARY

SPRING
2013

NEW! SUMMER SUNDAYS

Our 2012 Community Survey indicated a strong interest in Sunday hours during the summer months. The Library Board took this suggestion to heart and with careful planning was able to budget for it in 2013. The decision to continue these extended hours in future years will be based on usage this summer – so come often! Special family activities will be offered on some summer Sundays, as requested by survey respondents. Watch for details in our

Summer newsletter and on our website. We are pleased to expand our schedule to help all of our residents enjoy the benefits of the Library. If you don't have a Library card, now is the perfect time to get one. You belong here, and we continue to do all we can to make your Library meet your needs!

LIBRARY DEBUTS ZINIO

We've added Zinio, a great new online service that lets you read full issues of current magazines on your computer, tablet, or smartphone! With your Thomas Ford Library card you can download a wide selection of popular titles such as Newsweek and National Geographic. There is no cost to you, and you may keep the digital magazines as long as you like. Try it out on our website, or call us for details.

In April the Book Discussion Group will host The Big Read discussion of Adriana Trigiani's *The Shoemaker's Wife*, a saga of two Italian immigrants who fall in love after their arrival in New York, where she is a seamstress for the Metropolitan Opera and he is apprenticed to a shoemaker. This story is based on the author's own family history, with appealing characters and a vivid depiction of the Italian immigrant experience.

The former writer for *Arrested Development* created a hilarious character in the agoraphobic Bernadette, who disappears from Seattle when her husband tries to stage an intervention to get her into a mental health facility. The story is narrated by her teenage daughter, who tries to piece together her mother's whereabouts through anonymous emails, emergency room bills, online posts and the like, which make up most of this clever comedy.
