WINTER
2017

A Thomas Ford Welcome

Meet Director Ted Bodewes

If you haven't met the Library's new Director, Ted Bodewes, he would love to hear from community members just like you! He's looking forward to hearing great stories and ideas about the Library, and welcomes members to stop in for a visit.

Ted stepped in as Director on October 1, and he brings with him a wealth of experience in the book world. Most recently, Ted was the Director at North Riverside Public Library District, but before his library work, Ted managed bookstores, including what was the largest bookstore in the world, the Borders on Michigan Avenue in Chicago. In 2012, Ted was named an Emerging Leader by the American Library Association. This gave him the opportunity to talk with other passionate and innovative librarians from all over the country, and he's excited to bring that knowledge and expertise to the Western Springs community.

Ted's background makes him the perfect candidate to sustain the vibrant history of our library while leading staff in our mission to enrich the lives of Western Springs residents. He sees the library as a welcoming place that dynamically evolves with the needs of our members, and he is passionate about working with staff and TFML support organizations like the Board, Friends, and Foundation to continue finding innovative ways to meet those needs. We are all happy to have Ted aboard, and hope that you will give him a warm welcome!

The Ford Member Connection

"The Ford Member Connection" spotlights a Library member in every issue. Who would you like to read about?

Tell us about yourself. I've lived in Western Springs since 1984. I began volunteering at the Western Springs Library Friends' book sales and in 1999 joined the Friends' Board. In 2009, I fulfilled a longtime dream and joined the Western Springs Garden Club (WSGC). In 2015, I was honored to be asked to serve as President.

Give us some Garden Club background. WSGC is celebrating its 90th anniversary this year!! We have 72 very enthusiastic members. The Club's purpose is to promote a love of gardening, floral design and civic and environmental responsibility. In 1932, it donated to the landscaping for the newly erected Thomas Ford Memorial Library. Today, we maintain gardens in Spring Rock Park and the Blue Star Memorial. Our civic programs include garden therapy sessions with a local nursing home, college scholarships, school Arbor Day programs, Neat Day program oversight, and landscaping and garden design programs with schools and Boy Scouts.

Tell us about WSGC displays for the Library. We provide weekly displays for the Circulation Desk. This gives members an opportunity to show off their floral arranging skills; nothing pleases us more than receiving positive feedback! Led by

Donna Perkowski

The Western Springs Garden Club President Donna Perkowski helping to transform the library this holiday season.

our Library Committee Chair, Ruth Finlay, volunteers arrive early one morning in late November to decorate for the holidays.

How does the Library support the GC?

By providing horticultural books and meeting space, the Library has always been a resource; the Kennedy Garden Lectures and Craft programs are favorites of many members.

Any advice for someone who is not yet a gardener? Visit the WSGC's website (westernspringsgardenclub.org/) for inspiration. Visit one of our monthly meetings – we welcome guests. Shop for plants at our annual sale; the majority of items are dug from local gardens.

BOOK CLUBS

Library book clubs are open to anyone who enjoys good books! Extra copies of the books are made available at the Library one month before the discussion. Book reviews and other information can be viewed at the Reference Desk.
